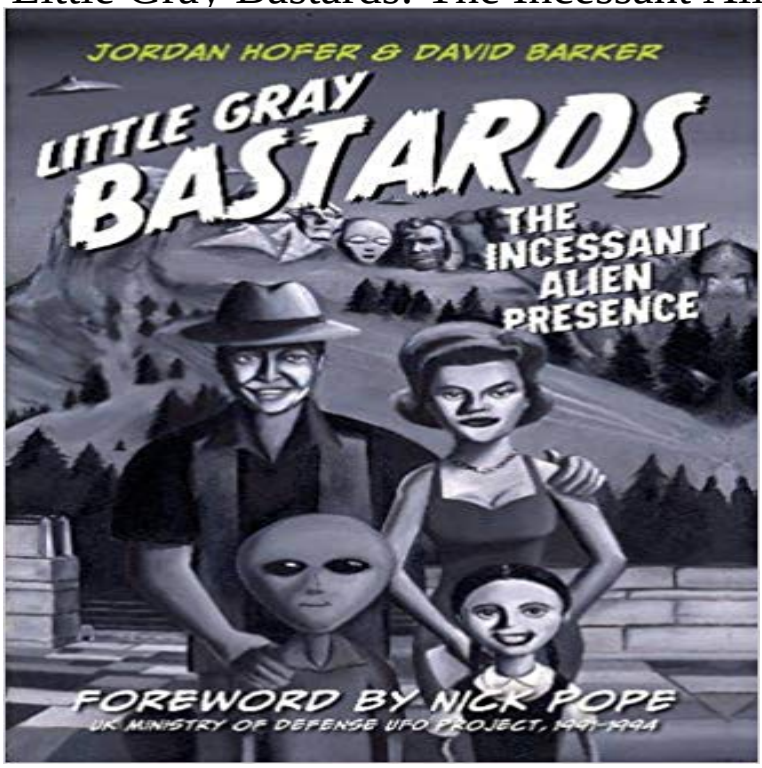
Little Gray Bastards: The Incessant Alien Presence



Join two ufology researchers as they stare into the cold, black eyes of alien visitors those little Gray bastards who are omnipresent in our daily lives. Watch the skies! Grays secretly reveal their outrageous spacecraft to selected, awestruck witnesses. Watch your bedrooms! Grays materialize silently beside beds to abduct paralyzed victims. Every aspect of human life is impacted by their incessant presence, from genes of the individual to the fate of humanity. Explore the story of Earl Heriot, rich in details of bizarre experiences with these Gray aliens over a lifetime. Discover specific aspects of the alien menace, including abductions; communications through artists; interconnections between Grays, ghosts, and other paranormal phenomena; and a history of alien attacks on humans. What emerges is a strange, often terrifying, glimpse into the machinations of the Gray aliens as they lurk at the fringes of human consciousness. Read with caution!
