

Men Are From GM, Women Are From Ford

When a question about anti-lock brakes becomes an entree for dispensing marital advice, you know you've entered the world of Click and Clack, the Car Talk guys. Together they dish up sage advice, car guidance, and fun as they irritate, pontificate, and finally illuminate life for the less fortunate of us who are mechanically disinclined. Listen in to learn how your car life merely reflects your love life. And feel the deep relief that comes with knowing you're not the caller whose relationship laundry is being strung up the pole for all listeners to enjoy
