

Rock Climbing Down Under: Australia Exposed

Rock Climbing Down Under: Australia Exposed offers something for everyone that has any affiliation with rock climbing. Photographer Simon Carter completely suspends us in 21 of Australias climbing scenes. Accompanying the mesmerizing photography are area introductions and personal stories written by no fewer than 80 climbers. Thread by thread, the climbers stories weave a magical sentiment throughout the book. Kim Carrigan, John Fantini, Dave Jones, Kevin Lindorff, Neil Monteith, Chris Webb Parsons, and Mike Law are only some of the 80 talented climbing authors found in the book. The images taken by Simon Carter combined with the stories written by the most significant contributors to the history and culture of Australian climbing make Rock Climbing Down Under: Australia Exposed a textural masterpiece that will awaken all of your senses; an unprecedented expose of Australian climbing.
