

10 Steps To Get Your Child Into A Top School: Good Mums Guide

This guide is for parents wanting a strategy to help their child gain entry into top UK schools, where the education system is highly competitive and costly. KK Harris managed to come up with ideas to help her daughter stand out in the crowd and earn herself three offers from top schools in the country. Whats more interesting is that KK Harris was broke at the time and a foreigner. Her sheer perseverance through financial hardship and her anything is possible attitude plus her devotion to her daughter found them success.
