

100 Walks in the French Alps (Teach Yourself)

Terry Marsh offers a variety of walks near to the popular Chamonix-Mont Blanc area that will appeal to both the seasoned hiker and the weekend dawdler. He keeps all the walks within a manageable compass by confining them to the departements of Savoie and Haute Savoie, taking in appealing side valleys, high mountain pastures, remote villages and many lesser-known peaks. He gives clear, reliable and practical directions, and the walks are illustrated by his own black and white photography.
