

Blyssful Lies (The Blyss Trilogy)

The Blyss Trilogy is part of a carefully orchestrated, organized game, and is driven by much bigger and darker forces. A very complex and original plot!

Two sexy, ruthless men...and one innocent female caught in the middle. Sexual tension, danger and intrigue will keep you on your toes! Learning how to survive in her new world, Julianna has no choice but to play the game of Life. Except it's Nick's game, and his rules apply. Captivity, drugs, and submission are the cards that are dealt, and it's a losing game. Biding her time as she waits for her rescuers, it's far from smooth sailing, because all too quickly the rules abruptly change as Nick takes matters into his own hands... As the drama unfolds, and hesitating to interfere, Travis has everything to lose should he decide to step in, including his life. Its opposition at its finest - freedom versus control as Nick and Julianna face the ultimate battle of wills. While Travis has the uncanny ability to manipulate her with a single touch, Nick struggles to conquer her body, mind, and soul. Its every man for themselves as each have their own secret agenda, including Julianna, whose plan is simple: survive. The Blyss Trilogy: A New Adult Erotic Romantic Suspense This contemporary, erotic captive romance book is full of action & adventure, mystery & suspense. This is an edgy, erotic thriller that will have you hanging on to the edges of your Kindle eBook as you wonder which alpha male you want to fall in love with. Will you be team Travis or team Nick? (350 pages)
