

## Hiding Places

The Harrison lodge is full of hiding places where young Kate can discover all the secrets no one wants her to know. Eleven-year-old Kate keeps her knowledge to herself: her sisters' stash of marijuana, the others' petty cash pilfering, her grandfathers' contraband candy bars. She protects her mother and Gran, too, screening out critical comments from the hotel suggestions box. But suddenly the stakes are raised; her grandfathers' best friend is murdered the day after Kate heard the two men arguing. At the same time, far from the quiet mountain resort, a homeless man sees a robbery gone wrong ... a gang member seeks revenge for the death of his son ... and a boy chooses the worst time to wield spray paint on a store window. In a strange and spiraling sequence of events, their disparate worlds collide at Harrison Lodge. Kate offers shelter to one of them, unaware of the terrible consequences to the family she loves. But people can hide in all kinds of ways, sometimes even in plain sight ... and some secrets are just waiting to be exposed.
