

Needle Felting - to the Point 2: When Things Go Wrong - More Needle Felting Techniques

More Needle Felting - to the Point - Harlan brings you another no nonsense and to the point book on needle felting. In this volume learn how to solve common problems when working with fiber, the importance of firmness and how to control it, how to effectively move fiber, what to do when you run out of a color and much more! Harlan also includes step by step instructions for making a winged mouse, frog, squirrel, gnome, ferret and fairy, as well as a woodland diorama home for all these wonderful creatures! A MUST HAVE resource for novice and intermediate needle felters!
