

A Newbies Guide to Apple Watch: The Unofficial Guide to Getting the Most Out of Apple Watch (with watchOS 2 update)

Congratulations on your new Apple Watch! The Apple Watch is a game changer in the world of wearable tech, and you'll be amazed at all the ways it will help you stay in touch, in shape and in sync. With revolutionary technology that brings the power of Apple innovation to your wrist and a range of designs guaranteed to suit your personal style, the Apple Watch is an impressive addition to any tech-loving household. In this guide we'll show you every nook and cranny of your Apple Watch (and despite its small size, there are a surprising number of nooks and crannies tucked away inside its elegant interface). In Part 1: Meet Apple Watch, we'll introduce you to your device, its hardware and its philosophy. In Part 2: Apple Watch Basics, we'll show you everything you need to get started, from unboxing to setup to navigation. In Part 3: Personalizing Your Apple Watch, we'll help you fully customize your Watch, from the way it looks to the way it talks to you. Then, we'll get very specific in Part 4: Apple Watch Onboard Apps and Glances as we look at every single app that comes pre-installed on your Watch. Finally, we'll share our favorite third party Watch apps in Part 5: Getting Started with Third Party Watch Apps. There's a lot to cover, but we think you'll enjoy getting to know this beautiful piece of technology and exploring all of the ways it can make your life easier.
