

## The Madonna Complex

Billionaire financier Teddy Franklin is a force to be reckoned with, an internationally famous power broker whose high-stakes wheeling and dealing send economic tremors from Wall Street to Zurich. He buys and sells corporations at will, and holds the careers of powerful lawyers and politicians in the palm of his well-manicured hand. Nothing, absolutely nothing is beyond Teddys reach ... until he meets her. Beautiful, tantalizing, mercurial, and perverse, Barbara captivates Teddys imagination and carnal desire like no woman he has ever met. And the more she toys with his feverish attentions, driving him to excruciating heights of animal lust while withholding the darkest, deepest secrets of her heart, the more he craves to possess her, body and soul, until his desperate obsession with this one irresistibly sensual and seductive woman drives him to the brink of insanity--and worse.
