

The Essential Guide to Android Widgets (Top Ten Android Tips Book 2)

Widgets can save you time and increase productivity and at the same time give you a practical way of personalizing your device, for that ultimate Android experience. Widgets provide information and/or tools right on your home screen. With a maximum of only six home screens on your Android device; however, finding out which ones are worth the space is important. Shanzai.com has tinkered with hundreds of widgets before bringing you this eBook of the top ten Android widgets from various categories. We also give you step by step instructions on how to install widgets so that you can get the most out of your Android device.
