

Slow cooking is one of the most economical and practical means of cooking available to many of us. It's wonderful to walk into one's home after a long day, and be greeted by a delightful aroma coming from the slow cooker. You can relax knowing that a home cooked meal is only minutes away from being served. We're all trying to save time and energy, and a slow cooker delivers both. Slow cooking saves time and personal energy, and it even saves on grocery bills. One can cook cheaper cuts of meat with excellent results in the slow cooker. Inside are 41 recipes for slow cooker meals which are based on either beef, poultry or pork, plus a few desserts are included for good measure. The slow cooker recipes in this cookbook are tried and tested in my own kitchen. Many are long time crock pot favorites of my family and all have all passed the taste test. Save yourself some time and energy and make your day a little easier. Put your slow cooker or crock pot to use. Enjoy!
