

## The Primrose Ring

DEAR PEOPLE,Whoever you are and wherever you may be when you take up this bookI beg of you not to feel disturbed because I have let Fancy and a faery or two slip in between the covers. You will find them quite harmless and friendlyand very eager to become acquainted. Furthermore, please do not search about for Saint Margarets; it does not exist. I shamelessly confess to the building of it myself, using my right of authorship to bring a stone from this place, and a cornice from that, to cap the foundation I discovered long ago when I was a child. In a like manner have I furnished its board of trustees. Do not misjudge them; remember that when one is so careless as to let Fancy and faeries into a book she is forced to let the stepmothers be unkind and the giants cruel.
