

Memorias de Cleopatra (Spanish Edition)

La majestuosa reina del Nilo. La mujer cuya extraordinaria belleza envuelta en oro y piedras preciosas ocultaba una inteligencia y poder de manipulación únicos. La seductora infatigable que enloquecía a los hombres. La habil estratega que supo jugar sus cartas y liberó Egipto del yugo romano. La leyenda personificada. Memorias de Cleopatra nos ofrece la oportunidad de escuchar en boca de la propia Cleopatra su verdadera historia. / Bestselling novelist Margaret George brings to life the glittering kingdom of Cleopatra, Queen of the Nile, in this lush, sweeping, and richly detailed saga. Told in Cleopatra's own voice, this is a mesmerizing tale of ambition, passion, and betrayal, which begins when the twenty-year-old queen seeks out the most powerful man in the world, Julius Caesar, and does not end until, having survived the assassination of Caesar and the defeat of the second man she loves, Marc Antony, she plots her own death rather than be paraded in triumph through the streets of Rome.
