

Toy Farm Tractors: An Entertaining History of Toy Tractors and Toy Farm Collectibles

Toy Farm Tractors Bill Vossler & Andy Kraushaar Farm tractors in miniature! This one-of-a-kind book details all major makers of toy farm tractors and their famous models, including the celebrated tin-toy maker Louis Marx & Co.; the classic cast-iron toy makers Hubley, Vindex, and Arcade; and the modern makers of high-tech, high-quality toys, such as The Ertl Co., Scale Models, Carter Tru-Scale, and others. Includes toy steam engines, threshers, implements, farm trucks and horse-drawn machinery. Additional chapters highlight scratch-builders, restoration of toys, pedal toys and salesman samples.
