

A Chronicle of Devils Jump: Black Sand

A summer weekend in Devils Jump consists of riding four-wheelers, hanging with friends, and camping. Those things are exactly what Rico intends for himself and his friends, Greg, Keith and James, to do. Little does Rico know that this weekend will bring about events that will change his life forever...if he gets out alive.

When Greg suggested they return to Black Sand, Rico was apprehensive due to the events that transpired there when they were younger, but he knew that he had to go back, not to face his fears, or to find what they sought originally; no, he had to go back to protect the one person in the world that mattered most to him: Claire. On that weekend, Rico and his friends will discover the extent of the horror that dwelled in Black Sand.
