

A Forever Mate: Vampire Assassin League #18

We Kill for Profit We Dont do Rainchecks THE WARLORD Sebastian Cole has a dark side. Filled with remorse. Centuries ago he lost his family. His love. His wife. Afterlife is a burden. Each awakening brings yet another reminder of his failure. Of empty hours ahead. Lonely spans of time. Its his penance. And its eternal. Until one night. When he least expects it...ARTISTIC GENIUS Jill Jones is in heaven. A seven day trip to Paris! Visiting the Louvre! So what if she doesnt fit in with the others? She never did. Nobody understands her. She should be used to it. She should quit trying, rather than join in an illicit nighttime exploration of the Paris catacombs. REDEMPTION Beneath Paris is a network of tunnels. Catacombs. Containing macabre displays of the dead. Vast sections of graffiti. Cataphiles combing through undiscovered sections. And a menacing, thrilling, gorgeous man. One who doesnt just want her body...Hes demanding her soul.
