

## Two Bears For Sapphire (BWWM Shifter Menage Romance)

I walked out of the shower, pulling the two men by their pale shafts. Their golden eyes glittered with the arrogant knowledge that soon I'd be on all fours for their pleasure. Sometimes you just have to take a chance in life. It doesn't have to be a big chance, but if you've passed by the gym a hundred times, maybe this time you should stop and think about joining. That's what I did, and I met the hottest white boy I've ever seen. Tall, stacked with muscle and with the golden eyes of a Shifter! How could I resist joining the gym then? Of course, I didn't think anything else would happen. Maybe the nice smile or the innocent flirting. I definitely didn't think I'd end up sandwiched between him and his friend, rutting with these two men like animals in the forest! Over 6,000 words of a thick woman of color being serviced by two gorgeous white alpha bear Shifters.
