

Pleasures: 3 Vampire Confessions

Randi Fang, blogger and 21st century vampire, shares her a journey to seek out other vampires and discover their fascination with the essence of what makes a vampire tick. Is it all about blood and sex as it is for her? In this edition are three vampire confessions recorded and shared with you by the author. **DESIRE** Randi explores the subject of love in her first vampire to interview, a fan of the fang who she simply calls Rose. **TASTED** Randi is tasked with a spontaneous interview that she soon not deal with. Since her translator, Sim has already volunteered her for the task, she must proceed with interviewing a vampire couple who are on the run because the newly turned female, Amelia has killed a demon, one of the seven Princes of Hell. **TAKEN** Randi heads to Paris to interview a woman known as the Demon Queen. Her story is one that will test Randi's limits and open-mindedness because her tale is too astonishing to swallow.
