

A Squash and a Squeeze

Wise old man, wont you help me, please?
My house is a squash and squeeze. What
can you do if your house is too small? The
wise old man knows: bring in a flappy,
scratchy, noisy crowd of farmyard animals.
When you push them all out again, youll be
amazed at how big your house feels! This
brilliantly funny story is the first ever
picture book written and illustrated by the
award-winning team of Julia Donaldson
and Axel Scheffler, authors of The
Gruffalo.
