

Dalmatia: Painted by Walter Tyndale

A very good copy with minor wear to spine ends and scattered foxing mainly to the edges. Quite a presentable copy. No dust jacket. First edition. Blue cloth with a repeated design of shields within double ruled boxes blocked in blind on the front and spine; publishers monogram blocked in blind on the back; title blocked in black on the front and in gilt on the spine. 8vo. (210 x 140 mm). xii, 187 pp.; index; map. 24 illus. in color; one in b/w. One of Blacks Popular Series of Colour Books. Title page design by R. S. Austin. One of 3000 copies. Contains some new material not found in earlier Black works. Tyndales watercolors are quite evocative as can also be seen in his work in the volumes on Wessex, Dorset, and Hardy Country among others.
