

Access Solutions: Tips, Tricks, and Secrets from Microsoft Access MVPs

Two Microsoft Access MVPs show how you can become an Access power user. Microsoft Access is the world's leading database system, with millions of users and hundreds of thousands of developers. The best practices, tips, and techniques in this book can turn users into power users. Millions of eager users make Access the most popular database system in the world. These Microsoft MVPs exploit key features in Access, providing advice on techniques for capturing, sharing, and reporting Access data. Each tip provides detailed solutions with clear instructions for implementation, and samples of all can be found on the companion Web site. Access 2010 Solutions offers professional advice that enables every Access user to get greater value from the Access database system.
