

Agnes Grey: By Anne Bronte - Illustrated

Why buy our paperbacks? Standard Font size of 10 for all books High Quality Paper Fulfilled by Amazon Expedited shipping 30 Days Money Back Guarantee BEWARE of Low-quality sellers Dont buy cheap paperbacks just to save a few dollars. Most of them use low-quality papers & binding. Their pages fall off easily. Some of them even use very small font size of 6 or less to increase their profit margin. It makes their books completely unreadable. How is this book unique? Unabridged (100% Original content) Font adjustments & biography included Illustrated About Agnes Grey by Anne Bronte Agnes Grey is the debut novel of English author Anne Bronte (writing under the penname of Acton Bell), first published in December 1847, and republished in a second edition in 1850. The novel follows Agnes Grey, a governess, as she works within families of the English gentry. Scholarship and comments by Annes sister Charlotte Bronte suggest the novel is largely based on Anne Brontes own experiences as a governess for five years. Like her sister Charlottes novel Jane Eyre, it addresses what the precarious position of governess entailed and how it affected a young woman. The choice of central character allows Anne to deal with issues of oppression and abuse of women and governesses, isolation and ideas of empathy. An additional theme is the fair treatment of animals. Agnes Grey also mimics some of the stylistic approaches of bildungsromans, employing ideas of personal growth and coming to age, but representing a character who in fact does not gain in virtue. The Irish novelist George Moore praised Agnes Grey as the most perfect prose narrative in English letters, and went so far as to compare Annes prose to that of Jane Austen. Modern critics have made more subdued claims admiring Agnes Grey with a less overt praise of Brontes work than Moore.
