

Agua para elefantes (MTI) (Spanish Edition)

Agua para elefantes, la novela en la que se basó la película protagonizada por Robert Pattinson, protagonista de la SAGA CREPASCULO, y la oscarizada Reese Witherspoon. Cuando el joven Jacob pierde todo, incluso su familia y su futuro, y el mundo entero parece al borde del abismo en los difíciles años treinta, se aventura en un circo ambulante para trabajar como veterinario. Transcurren años de penuria y crueldad, pero también de ensueño y plenitud: en el deslumbrante espectáculo de los hermanos Banzini, las emociones más profundas surgen cuando se cruzan los destinos de un hombre, una mujer y la elefanta Rosie bajo la carpa del circo. Sara Gruen ha escrito una novela aclamada por millones de libreros y lectores en todo el mundo. Pasen y vean: romance, lucha, asesinato, tragedia y humor integran esta gran función que conmueve y asombra por igual. Resenas: Una novela redonda, casi perfecta. El País Una historia suculenta, arrolladora, épica. Como aquellos carteles de cine de antano: 'Reira, llorara, no creara lo que ven sus ojos. Independent Weekly Una novela arrebatadora... Con el ritmo experto de un showman, Gruen se reserva una revelación genial para las páginas finales, transformando una imagen de la cultura americana en una encantadora fábula escapista. The New York Times Book Review Sensual y cargada de oscuros secretos en torno al amor y la muerte. Parade Una historia encantadora al estilo de los cuentos de hadas. The New York Times Book Review Las sorpresas son interminables. The Kansas City Star Un verdadero deleite. The Denver Post

ENGLISH DESCRIPTION As a young man, Jacob Jankowski was tossed by fate onto a rickety train that was home to the Benzini Brothers Most Spectacular Show on Earth. It was the early part of the Great Depression, and for Jacob the circus was both his salvation and a living hell. A veterinary student just shy of a degree, he

was put in charge of caring for the circus menagerie. It was there that he met Marlena, the beautiful equestrian star married to August, the charismatic but twisted animal trainer. And he met Rosie, an untrainable elephant who was the great gray hope for this third-rate traveling show. The bond that grew among this unlikely trio was ultimately their only hope for survival.
