

Easy Airbrush Projects for Crafters & Decorative Painters

Whats the biggest breakthrough for decorative painters since acrylic paint? The airbrush! Its easy to use, easy to learn, inexpensive...and it opens up a whole new range of exciting effects you can use in your painting projects. The 11 step-by-step projects in this book will teach you the essentials of airbrushing - including how to use stencils, airbrush basic shapes and shading, and create faux finishes. The projects were designed for the crafter or decorative painter, and include a variety of surfaces, from painting ivy leaves on wood with a pre-cut stencil to faux marbling on a plaster cast.
