

## All The Dots Connect: Revealing the Picture of Gods Grace

How you judge yourself is the same as how you judge others and is ultimately how you limit your relationship with God. Throughout all of time, God has had one purpose. Everything that has happened, is happening or will happen is connected to God's ultimate goal. As you read this book you will discover that God's grace is a relationship that is not based on behavior. You will learn how to accept a relationship with God that is based on who He is and whom He created you to be. He is the One who offers position, purpose, place and provision. Our part is provide an acceptance or rejection to His invitation. The choice is ours. God's ultimate goal is to have a relationship with man that is not out of compulsion or coercion. He wants a relationship that is freely given. All we have to do is say yes to what He is offering. You can know all that He has for you, and then when you do, you will see that all the dots connect.
