

No Perfect Fate

Cleo Anderson's people skills are hesitant and her life is broken. Alone is good and she is finding her way. Drawn to a fish camp in the wilds of the Okefenokee Swamp, she parks her Play-Mor where gators yawn, bears slumber, and snakes slither. The camp pace is slow, the owner kind, and the people friendly. Cleo encounters Fletcher Fremont Maitland and his goddaughter, eleven-year-old Katie. Cleo doesn't know her life is about to unravel yet again. But she's about to find these things out the hard way. Both Fletcher and Katie will change her life in ways she never imagined.
