

## The Werewolves Curvy Nurse, Part 1 (BBW Paranormal Erotic Romance Series)

Ali is a nurse working the third shift when a mysterious patient is brought into the ER. He's unconscious and looks like he's been in a horrible fight. The patient is Caleb, a handsome young shifter who's been betrayed by two wolves in his pack. When he wakes up, he convinces Ali to help him escape and seek vengeance. She might think it's all over after that, but she's wrong. With one hint of her scent, Caleb realizes Ali is his true mate. But can she be convinced to risk it all to be with him?
