

## Millers Anatomy of the Dog - Text and VETERINARY CONSULT Package, 3e

Veterinary ConsultThe Veterinary Consult version of this title provides electronic access to the complete content of this book.

Veterinary Consult allows you to electronically search your entire book, make notes, add highlights, and study more efficiently. Purchasing additional Veterinary Consult titles makes your learning experience even more powerful. All of the Veterinary Consult books will work together on your electronic bookshelf, so that you can search across your entire library of veterinary books. Veterinary Consult: Its the best way to learn!Book DescriptionUpdated to reflect tremendously expanded knowledge of the anatomy of the dog, this new edition describes and illustrates the specific morphology of the dog with some reference to other species. With eight new contributors, this text includes more in-depth understanding of the nervous system, fetal growth, bone formation, the lymphatic system, the organization of the brain, the structure of the eye and ear, and more! No other book on the anatomy of the dog has such up-to-date detail of structure as this third edition.Book plus fully searchable electronic access to text.
