

An Experiment with Werewolves: Part 2

The gates of the Blackfoot Werewolf Reservation are finally opened, and its time for Taya to move away from the past and on to the future. Being rehabilitated before returning to society is a lot more complicated than she could have imagined though. At the Center for Infectious Diseases, Taya is introduced to a whole new staff that will be responsible for ensuring her physical and mental well being. New bonds will be formed, and others might be destroyed forever.
