

## Android: App Development & Programming Guide: Learn In A Day!

Learn to Program Android Apps - in Only a Day! Android: Programming Guide: Android App Development - Learn in a Day teaches you everything you need to become an Android App Developer from scratch. It explains how you can get started by installing Android Studio and learning to use the Android SDK Manager. Can you really create an app in just a day? Yes, you can! With Android: Programming Guide: Android App Development - Learn in a Day, you'll learn to create OMG Android. This app is similar to the Hello, World program that many beginners create when learning new computer languages. Soon, you'll have your very own app that greets you by name! Can you create an app and try it out on your personal Android device? Absolutely! Learn to run your app on emulators and devices, and how to put personal touches on your app. You'll learn how to update your apps with the Android SDK Manager, use XML, and add buttons and listeners!
