

## Every Last One: A Novel (Random House Readers Circle)

Mary Beth Latham has built her life around her family, around caring for her three teenage children and preserving the rituals of their daily life. When one of her sons becomes depressed, Mary Beth focuses on him, only to be blindsided by a shocking act of violence. What happens afterward is a testament to the power of a woman's love and determination, and to the invisible lines of hope and healing that connect one human being to another. Ultimately, as rendered in Anna Quindlen's mesmerizing prose, *Every Last One* is a novel about facing every last one of the things we fear the most, about finding ways to navigate a road we never intended to travel.
