

## Anything Goes... (Mills & Boon Blaze)

Seven days of sun, sand and sex, sex, sex! That's exactly what Carly Saunders needs anonymous sex and lots of it. She has one week of hedonism before she heads home to a teaching job and her place as the pastor's daughter. But when she runs into Rick Baxter, a childhood friend from her hometown, Carly's plan is ruined. Too bad because Rick has sin written all over him. Rick can't believe this sexy siren is the good little girl he'd known twelve years ago. In her thong bikini, Carly looks like a woman on the make. Well, if she wants some vacation action, he is definitely her man. And if she doesn't agree, he'll just have to remind her that good girls should do as they're told.
