

APIL Guide to Conditional Fee Agreements: Second Edition

The APIL Guide to Conditional Fee Agreements provides an up-to-date and practical account of all aspects of running a case with conditional fees and fixed success fees. An authoritative explanation of the UK legal framework in which CFAs operate is complemented by a host of practical tools, such as checklists, model letters, and questionnaires that will prove invaluable to claimant personal injury lawyers. This second edition has been completely re-written to take account of the seismic changes in this area of practice in recent years in the UK.
