

Army of Darkness / Xena #1 : Why Not? Part One (Dynamite Entertainment)

Hey Fanboys! Bruce Campbell meets Lucy Lawless-what else do you need?! The crossover no one asked for - or expected - is finally here! Too big for the movie or television screen, Dynamite presents the ultimate Why Not? tale as Ash and Army of Darkness meets Xena the Warrior Princess, in the first issue of this 4-part mini-series event! Written by master... uh, scribe, John Layman and illustrated by Miguel Montenegro, the first issue of this unnecessary adventure finds Ashley J. Williams transported to the world of Xena and Gabrielle, and most importantly Autolycus who bears more than a passing resemblance to our main man Ash. Throw in the Necronomicon, and an evil little Ash taking charge of a group of fairies (the winged kind), and youve got yourselves a story!
