

Lady Killer (Mr Crook Murder Mystery)

No author is more skilled at making a good story seem brilliant Sunday Express Henry's vocation is being a husband. Like the famous English king with whom he shares his first name, Henry first woos, then weds, then kills his wives. When he falls in love with orphan Sarah, Henry takes her to a lonely cottage and her initial happiness at being with him soon gives way to some uncomfortable suspicions. But will anyone reach the isolated spot before Henry deems her a little too inquisitive for her own good?
