

Banana

From the author of *The Eleanor Roosevelt Girls* comes this highly acclaimed first novel. Joanna Banana might have become an accomplished actress, singer, playwright and part of the author's genius is that we never doubt it... This is a novel with a raised consciousness, a mature, intelligent novel of real talent and excitement. Publishers Weekly Joanna Bananas high velocity monologue is raucous, dirty-truthful and charmingly funny. She's the lady inside all of us, waiting to get out and take our piece of the action. *The San Francisco Chronicle*
