

The Everything Seed: A Story of Beginnings

From a single seed cradled and nourished in the rich soil of space, comes the entire universe...and even you! The Everything Seed is a new myth for a new generation, one that explains to the youngest child where we, and the world around us, originated. This joyous celebration of the origins of life is told through captivating poetry and luminous artwork. A gentle look at the Big Bang for young children. Incredible batik artwork. A captivating, refreshing, and life-affirming treasure to read over and again. -Earthlight Magazine
