

The Tyrannosaurus Tic: A Boys Adventure with Tourette Syndrome

This book will inspire teachers, parents, counselors and especially kids! Michaels story unfolds with a new hurdle and difficult situation in each chapter. Told through this brave 12yr olds eyes, each problem and embarrassing tic is dealt with in his own original way, with excuses and humor. The reader will have a better understanding of what young children go through with the on-set of involuntary body movements, also known as tics. Children with Tourette Syndrome (TS) or other disorders will be able to identify with Michaels struggles and challenges with his classmates and teachers. It informs and engages the reader on facing dilemmas one step at a time. It will increase awareness of TS and gain respect for children that face TS and other problems that are bigger than dinosaurs! Do you know what a Tyrannosaurus Tic is? The Tyrannosaurus Tic A boys adventure with Tourette Syndrome: Pre- Diagnosis is the first book in the Tyrannosaurus Tic Series. The series will take the readers through Michaels thrills, chills, and spills as he grows into adulthood battling lifes obstacles. This is a must read book for all ages. Visit Michaels website as he travels around the world at www.tyrannotic.com.
