

Auntie Claus and the Key to Christmas

Its getting toward Christmas at the Bing Cherry Hotel, and Auntie Claus is preparing for her annual business trip. Just before she is ready to leave, her favorite nephew, Christopher Kringle, begins to have doubts about the family business. To settle the matter, Auntie Claus summons Chris for tea, but like any self-respecting Kringle, Chris decides to take matters into his own hands: He plans to get on the Bad-Boys-and-Girls List on purpose! Even after his older sister, Sophie, reveals that their great-aunt, Auntie Claus, is really Santas sister, Chris needs to see for himself, in order to believe. In this companion to the much loved Auntie Claus, come along on a magical journey with Sophie Kringles little brother, Chris, to a place you may have seen only in your dreams. And discover that anything is possible, when you have the key to Christmas!
