

## Walker: Elite Operatives (Bad Boys of X-Ops Book 1)

Explosives are Walkers specialty, but hes never handled anything as combustible as his enemy, Jade Huntington. WALKER Goddammit. All I want to do is blow shit up. Is that too much to ask? But, no. What I get is mission friggng impossible in the middle of a Beirut hotbed. Im the renegade of Operation T-Zone, but this time I swear Im gonna do things by the book. That is, until Jade Huntingtons involvement in my op causes a brand new snafu. My tribal name means desperate warrior, and thats exactly what I am for reasons I cant outrun. And Jade? Shes personal enemy number one. An incredibly sexy one at that. But shell never find out just how desperate I am for her. JADE Im not an assassin, even though I am badass. Im a protector. Except when it comes to Walker. What I wouldnt give to bore a bullet through his stubborn skull. Weve been at each others throats for years, this time Im determined to leave him in the dust after I shoot a few holes in him.

Were forced to work together when Walker practically kidnaps me and my package: the woman Im guarding, the target hes assigned to take out. Days on the run. Nights of enforced closeness. Fighting side by side. Ever-present danger ignites a desire I cant control. But the endgame is so perilous Walker and I might not make it out alive. Four X-Ops alpha men. Four feisty wicked women. Four books youll want to sink your teeth into. Bad Boys of X-Ops. Back to back, spring-summer 2016!: Walker Justice: April 25th! Storm: Preorder now! Coming May 23rd. Bane
