

Barbarians at the Gate: The Fall of RJR Nabisco

One of the finest, most compelling accounts of what happened to corporate America and Wall Street in the 1980s. New York Times Book Review A #1 New York Times bestseller and arguably the best business narrative ever written, *Barbarians at the Gate* is the classic account of the fall of RJR Nabisco. An enduring masterpiece of investigative journalism by Bryan Burrough and John Helyar, it includes a new afterword by the authors that brings this remarkable story of greed and double-dealings up to date twenty years after the famed deal. The Los Angeles Times calls *Barbarians at the Gate*, Superlative. The Chicago Tribune raves, Its hard to imagine a better story...and its hard to imagine a better account. And in an era of spectacular business crashes and federal bailouts, it still stands as a valuable cautionary tale that must be heeded.
