

# At Wits End

Americas irrepressible doyenne of domestic satire. THE BOSTON GLOBE Madcap, bittersweet humor in classic Erma Bombeck-style. You'll laugh until it hurts and love it! Any mother with half a skull knows that when Daddys little boy becomes Mommys little boy, the kid is so wet, hes treading water. What do you mean youre a partciple in the school play and you need a costume? Those rotten kids. If only theyd let me wake up in my own way. Why do they have to line up along my bed and stare at me like Moby Dick just washed up onto a beach somewhere?
