

## Bad Fads

From poodle skirts, hot pants, and Lava lamps to Pogs, Pokemon, and Teenage Mutant Ninja Turtles, Bad Fads takes a fresh and funny look at the games, gags, dances, and styles of yesterday. This entertaining and nostalgic book unearths many short-lived popular trends from the past 100 years, covering fashion (go-go boots and Farrah Fawcett hairdos), collectibles (Rubiks Cube and pet rocks), activities (3D movies and drive-in theaters), and events (telephone booth stuffing and goldfish swallowing). No age group is spared these embarrassing reminders of the intriguing, bizarre, and just plain silly fads of past decades.
