

Adriannas Fairy Tales: Erotic Retellings

Adriannas Fairy Tales: Adrianna's collection of novellas take the classic story of fairy tales that were all accustomed to and throws it out the window in an erotic retelling of our beloved princes and princesses. The characters are hot and the action is steamy, these stories will titillate both the mind and the nether regions. Be warned, these stories rarely end as we would hope.

Naughty Cinderella: The story of Cinderella is far more adult than you were lead to believe. A lady of the night, she spends her days working the streets and her nights living in poverty. Her stepsisters controls her every decision and she is forced to live under her stepmothers iron fist. Her entire life is thrown into an uproar when the majestic Prince Jacob visits, inviting all to his masquerade ball. Cinderella's only problem is that she has no way of getting to that party; that all changes when she discovers a power hidden deep within her, and takes matters into her own hands.

Riding Red Hood: The story of Little Red Hood and the Big Bad Wolf begins with our hero in the woods, only Red doesn't even know he's there. The road is treacherous and she finds herself running from a band of cannibalistic tribesmen. That's where she meets the misunderstood wolf and is spared from the life of a slave, or worse. A steamy journey of lust, longing and desire is headed towards Red, as she tracks down the wolf responsible for saving her life and stealing her heart. Complications arise when her betrothed, Fredrick, learns of her encounter and will stop at nothing to end the wolf's supposed reign of terror and bloodshed.

Beauty and the Beast with Two Backs: Isabelle Dorsey finds herself in a precarious position when her father makes a deal for a soul that he doesn't possess. He commands her to find him in the forgotten land of Tarn, where he has planned to hand her over to a beastly man named King Edmund. He was the ruler of an empire that

has been long since buried, only his people didnt stay that way. As if rising from the ashes of their fallen empire, they find a way to enter our world and take what they deem fit. A storm is brewing and if the beast king wants to keep his sanity, he needs to find a way to break the curse before his kingdom crumbles for a second time. Warning: This eBook contains graphic violence, coarse language and sexual intercourse. Adults only. Word Count: 38,812.
