

## Ploughed by the Farmhand: A Naughty Night

Mary Anne is a good, God-fearing woman living on the Texan frontier in the early 1800s. She always follows her pastors advice, and tries to live in the boring, structured life her family demands. All that is about to change however, when Mary Anne hears some mysterious noises in her barn one night. She goes to investigate, expecting to find ghosts or demons. What she finds is much more surprising to her, and lights a new fire in her loins. Mary Anne soon finds life had more sexy surprises than she had realized! Life on the frontier is about to change forever! ----- This is the first part of an exciting new series focusing on the erotic awakening of Mary Anne, a feisty curvy woman who learns to fight for her own independence in the American Wild West!
