

Big Day Hair (Charles Worthington Dream Hair)

The Charles Worthington Dream Hair series is a unique take on hair and beauty publishing that really hits the beauty spot in a way that previous hair books have failed to do. These accessible, stylish, easy-to-use bibles based on real-life hair situations - Big Day Hair, Holiday Hair, City Hair and Big Date Hair - present the information about hair that girls really want, in a way that relates to their lifestyle, hair type and specific hair needs. User-friendly and effective, the salon experience is conveyed in book form - the indulgence factor, the one-on-one hair advice, the intimacy, the lifestyle, the relax philosophy and the professional secrets that you walk away with. The series combines a fictitious, scenario-based approach that focuses on the lives, loves, and hair dramas of four girls - Polly, Jaz, Laura and Kate - with the really useful hair stuff. Big Day Hair focuses on hair for weddings and other special occasions, and is packed with salon secrets and professional advice. Discover the perfect pre-wedding haircare regime, when to cut and when to colour, and lots of great styling and accessorizing ideas for hair up and hair down. Modern, sleek, sensual and hip, with stunning visuals and an imaginative presentation of information, the Charles Worthington Dream Hair series are the hair books you simply cant live without.
