

Ignore your teeth and theyll go away: The complete guide to gum disease

New for 2016! Dr. Sydneys expanded and updated 4th edition of Ignore Your Teeth and Theyll Go Away, the Complete Guide to Gum Disease. This edition continues a unique publishing tradition. For thirty years, this book has been delivering, in an easy-to-read style, authoritative and always up-to-date information on detection, prevention and treatment of gum disease, including a comprehensive chapter on dental implants. 80% of all adults and 40% of all children in the world are afflicted with some form of gum disease. Yet, the devastating effects of gum disease, such as bad breath and tooth loss are, for most people, preventable! * Dr. Sydneys book is the most sold, most professionally reviewed, and most recommended patients guide to gum disease of all time. * In fact, gum specialists have bought thousands of Dr. Sydneys guides for their own patients.
