

## The Big Scare: The Business of Prostate Cancer

Anthony Horan, M.D. doesn't hold back on the niceties in this tell-it-like-it-is book on one of the deadliest diseases facing men today: PROSTATE CANCER. If you got it: You may join the 27,350 men who will die this year; You may never have another orgasm; Your outhouse just may be your briefs. If you're scared... you should be. The disease isn't just about cancer. It's about how big companies can make big money on your big problem. Men: The more you know about the enemy, the better your chances are to win. And, Dr. Horan wants you to triumph. Read this book. It may save your life. A refreshingly honest approach to a very serious matter.
