

# Kickin Butt as a Single Parent - 99 Tips Every Single Parent Must Have

Kickin Butt as a Single Parent was written for the over twenty million single parents in the country who are raising 25% of all children. Bills award-winning story and tips will inspire you to transform your life, so that both you and your children become the beneficiaries of your success. It will show you how to find peace, happiness, hope, knowledge and success as a single parent. You owe it to yourself and to your children to read this book, learn from this book, and benefit from it for years to come. Put a smile on your face, put hope in your heart, and visualize your successful future in the pages to come.
